

Marko in Jona ... GRESTA V GOZD

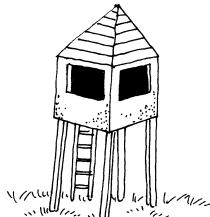

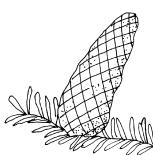

Marko in Jona sta brata.
Marko zna plezati po drevju,
Jona zna skakati po eni nogi.

Danes gresta v gozd.
Oba imata nahrbtnik z malico.
Tiho hodita po gozdnici poti.
Pobirata storže in mah.
Tok – tok – tok – opazujeta žolno.
Čiv – čiv – čiv – prisluškujeta pticam.
Kuku – kuku – kuku – zaslišita kukavico.
Smuk – zagledata veverico.
Mljask – mljask – kaj je to?
(Jona je malico: masleni kruh in jagode, ki rastejo ob poti.)
